

PRESS RELEASE
LITE 92.9's Christmas Card Drive for Northwood!!

December 12, 2013, Halifax -

Northwood has been fortunate to have as one of its partners be LITE 92.9. They have been sponsors at our Walk of Ages, our Chocolate Affaire and at Appetite for Life. They love us and we love them.

This Christmas, they are going beyond “the call of duty” to involve Northwood and the Northwood community in their celebration of Christmas. They are asking listeners to brighten the life of a stranger this Holiday season by writing a Christmas card to a Northwood resident.

The residents of Northwood, because they live in long term care facility.. a Christmas card would really brighten their day! Listeners are asked to keep that in mind when they are sending out their cards this year – and asking them to challenge friends and family to do the same. If each family in HRM got on board with this and sent out one card... how awesome would that be?!!

You can address your cards to:
Christmas Card Campaign
Northwood Centre
2615 Northwood Terrace
Halifax NS B3K 3S5

Or... if listeners would like to drop off their card... they can leave it at the front desk of the address listed above!

Preschools, daycares, elementary, and after school clubs... are being challenged too! How cute would it be to receive a Christmas wish from a little one – that would really brighten the day of a Northwood resident! A big **thank you** to LITE 92.9 for coming up with the idea and sharing the Christmas spirit with us!
